

A photograph of a woman with long dark hair, wearing a red dress, standing in a green field. She has her arms raised high in the air, palms facing up, and is looking upwards with a smile. The background is a clear blue sky with a few wispy clouds. The image is used as a background for the slide.

Document concerning cooperation of the Competent Bodies in the case of EU Corporate Registration

Monika Brom, Environment Agency Austria

Requirements for the FCB under EMAS III

- Setting up **general principles and coordination procedures** between CBs -> has to be adopted in accordance with the regulatory procedure with scrutiny
- Development of **standardised forms** in all official languages of the EU for implementing „coordination procedures“ including a list of fees related to all MS

General Principles

- Cooperate Registration is done by a “Leading Competent Body” (LCB) who is in charge of the process
- The registration is carried out by the LCB on the basis of decisions made by the “Competent Bodies Involved” (CBI)
- LCB starts the procedure, distributes the necessary documents to the CBI
- CBI start procedures as if they had to register a relevant site(s) of the organisation applying for registration
- Decisions of CBI are binding for the LCB
- Disputes between CBI, settled in the FCB
- Language of Environmental statement and other documents

Standardised forms - Tasks of the LCB

Checklist for LCB shall contain:

- Check of application documents provided by the organization
- Verification of NACE Codes (of organizations and sites) and NACE scopes of the involved verifiers
- Finding out Competent Bodies which are concerned in the registration process
-> *List of Competent Bodies with tick-boxes*

Standardised forms - Tasks of the LCB

Checklist for LCB shall contain:

- Information of the organisation concerning fees
-> *List of fees in the Memberstates*
- In case of legal problems of one site: change of scope of registration (in consultation with org.)
- Information of all CBI in case of deletion and suspension of one site
- Contact with organisation (headquarter, management-centre)

Standardised forms - Tasks of the CBI

Checklist for Competent Bodies Involved (CBI):

- Verifier is accredited or licensed for all NACE Codes concerned

- Compliance with EMAS regulation (f.e. env. declaration for sites, legal compliance)
 - Level of detail??

Standardised forms - Tasks of the CBI

Checklist for Competent Bodies Involved (CBI):

- Providing information to the LCB
 - about decision (statement in case of negative decision)
 - Confirmation that fees have been paid
 - Supervision report in case of legal problems
 - Complaints

- Change of registration number (already registered Org.), avoiding double-counting

Next steps
